I'm Hariharan B P, an UG student at Sathyabama University, Chennai with a major in Computer Science Engineering graduating in 2023. My team has written a research paper on "**Identification of a Deep Learning Technique for Facial Emotional Datasets for Song Recommendation System**" under the guidance of our mentor and guide Dr. Albert J. Mayan and Dr. Mary Posonia Associate Professor, School of Computing, Sathyabama Institute of Science and Technology, Chennai, India.

I have hereby attached the paper on behalf of my team as part of paper submission for the conference to be held at Chennai, India on 13th April 2023.

Kindly, have a read on our paper and let us know about the updates on the acceptance as well as the venue for the conference.

Thanking you

Warm Regards,  
HARIHARAN B P,  
Chennai
